

In conjunction with the Bridgewater Recreation Department... Fencing is one of the most exciting, yet safest and strategic sports that have ever been developed. It is a sport that has been in every modern Olympics, has produced strong high school fencers, and is at most of the top colleges in the country! Medeo is one of the most successful

fencing clubs in the United States, producing champions at every level. Our classes are taught by world renowned coaches in each weapon. We have 13 Olympic Style Fencing Strips in a beautiful air-conditioned state of the art facility. Fencing helps to develop confidence, poise, balance, eye-hand coordination, strategy, ability to think under pressure, and how to be efficient with ones' motions. Oftentimes, a person who may not excel at major sports will find that they can achieve within this sport because it emphasizes discipline and strategy as a supplement to athleticism. Fencing is a great cross training sport that will HELP you with ALL other sports! Classes will be broken down by age and skill level.
